

Pull-Test Record Sheet

Job

Project / job	Site / location	Client	Test date
Tested by	Witnessed by	Test equipment (model)	Equipment serial no.
Calibration due date	Base material	Fastener / anchor type and size	Embedment depth
Specification / standard followed			

Limits

Force unit kN / lbf	Displacement unit mm / in	Required proof load	Required hold time (s)
Max allowed displacement (blank = no limit)			

Tests

#	Fastener ID / location	Applied load kN / lbf	Hold time (s)	Displacement mm / in	Failure mode	Result	Notes
